Date

1976

Primary Maker

Benn, Nathan

Medium

print on acid-free Epson Hot Press Bright paper, using Epson Ultrachrome ink

Description

2 horizontal, rectangular color prints with photographer's caption "At Corning Glass, bins of broken and discarded glass, sorted by color, await disposal or recycling. The fragments are remains of glass objects that were rejected as imperfect in production. Corning, NY, May 25, 1976."; view from above of numerous bins with a variety of colored glass sherds in foreground and middle ground; male worker on small bulldozer near center background with load of white or clear glass sherds in dumpster; stalls with piles of white or clear glass sherds in background.
